

Clumber Park CC Selection Policy.

Selection Criteria.

1. Clumber Park CC will endeavour to provide the highest standard of cricket for the Saturday 1st and 2nd team and development opportunities for young cricketers in the 3rd and 4th team. Also, further development in the Sunday League team and recreational cricket in the Cleavers side. In return CPCC expect all players to play where they are picked with full commitment and aspiration to play with the first team.
2. 1st team:- Strongest 11 within the club.
2nd team:- 2nd Strongest 11 within the club
3rd team and 4th :- Consist of mixture of senior players and young developing juniors. The ideal ratio being 5 adults and 6 juniors, this where possible should also be mirrored in the Sunday teams.
3. Players displaced from the team above cannot automatically expect to play in the team directly below the level normally played.
Example: from 1st team to 2nd team. But will be accommodated with cricket that weekend.
4. The captain of each side will have the full discretion to select the side he/she considers to be the best and to be capable of winning the game ahead. Each person in the club should support the team captain's elected at the AGM to be their leaders on the field and fully back their selection. Good communication between the players and captain is essential in respect of availability and each player should take responsibility to ensure their availability is known.
5. Selection Committee: Captain of each team and a selection coordinator (elected at AGM) No other person is eligible to attend meetings. Each team must have a representative there. The captain can delegate to the vice captain or a nominated player who has full responsibility for selection issues if the captain is not available. The player's representative can be invited to air player's disputes with selection committee.
6. If a player breaks their agreement then that player must reconsider his/her position and play where picked or face de-selection for the next week. Areas of dispute can be taken to the management committee.
7. By paying their membership fees the player is deemed to be agreeing to abide by this policy.
8. Junior Cricket- All teams will be selected by the appropriate team manager/s. Team's will be selected on ability and availability and in some cases there may be rotation to ensure all players experience league cricket.
(Consideration must be given in this area for ability against safety in league games.)
