Dear Member,

**Re: Subscriptions 2011**

Your club membership expired on the 31<sup>st</sup> December 2010; please find enclosed your notice of fees for 2011 as approved at the recent AGM.

The management committee has discussed rates for all aspect of playing and membership in the coming year and unfortunately decided that after several years with no increase we have little choice but to increase fees in 2011. We work hard to raise cash to develop the club and do not want to see this income used to supplement playing costs; we believe that a greater share of these playing costs should be covered by those who play the most. As a result we will increase match tax only as detailed below, leaving subscriptions the same. There will no longer be a reduction for early payment. The following will be increased for the 2011 season:

Match Tax Rates for 2011, First and Second XI from £7 to £10, Third and Fourth XI from £7 to £8.

Sunday teams from £5 to £6. Match tax in all junior games will rise from £2 to £3 per game.

Please complete all parts of the attached form and return the whole form to the membership secretary with your payment. Please note you need one form for each member.

**Membership subscriptions must be paid before 1<sup>st</sup> April 2011.** If you have not paid your fees you will not be selected for league cricket.

In these challenging times we do not want to see any member having to stop playing cricket due to the financial hardship. If you would like to join CPCC but have severe financial difficulties, please do not hesitate to talk to one of the committee members.

On receipt of your application it will be processed within two weeks; you will receive your 2011 Membership Cards by post.

We look forward to seeing you in 2011 which hope will be another great year for our club.

Regards,

*Caroline Ball*  
Membership Secretary
